CREW *Republic*

BREWING AWESOMENESS

Mario & Timm, zwei Freunde und Arbeitskollegen, waren mit ihren Jobs unzufrieden und nahmen sich 2010 eine Auszeit, um die Welt zu bereisen.

In Australien hat Timm Biere probiert, die ihn umgehauen haben. In Colorado bestellte Mario „ein Bier“ und bekam eine Offenbarung serviert. Und sie fragten sich: Warum gibt es solche Biere nicht in Deutschland?

Sie kehrten nach Hause zurück, aber nicht an ihren Arbeitsplatz. Stattdessen gründeten sie ihre eigene Craft Brauerei: die CREW Republic. Sie wussten, dass die Revolution kommen würde, und diese wollten sie anführen! Join the Revolution!

*Cheers,
Mario & Timm*
